ABSTRACT SUBMISSION DEADLINE 30TH MARCH 2016

HAMLIN SYMPOSIUM and CAOS UK 2016 DATES

Save the dates!

Deadline for submitting papers: 30th March 2016

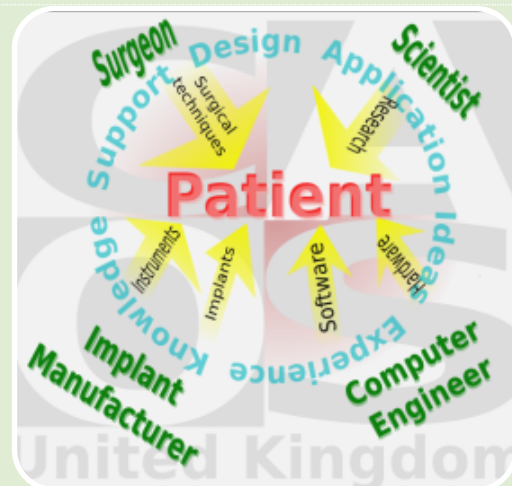

Paper acceptance: 6th May 2016

Camera Ready deadline: 25th May 2016

Conference date: 25th June - 28th June 2016

We are delighted to announce that Computer Assisted Orthopaedic Surgery (CAOS) UK is being run as part of the Hamlyn Symposium on Medical Robotics this year.

CAOS UK is an organisation dedicated to supporting the application and development of modern techniques for orthopaedic surgery. It aims to realise better treatments for patients and hopes to achieve this by encouraging collaboration between surgeons, scientists, engineers and industry.
